

## WELCOME TO COACHMAN'S VOICE!

### New Years Resolutions for 2012

Greetings from Coachman!

#### New Year resolutions for 2012

These hardly ever survive beyond the first few days of the New Year. At Coachman, however, our resolutions are always the same and we always see them through:

Providing a safe, comfortable and smooth trip to all our passengers.

Ensuring that our coaches and drivers adhere to the most stringent safety protocols.

Striving for improvement in everything we do.

In 2012 we would like to carry you to your next destination with our trademark quality and hopefully win you over to do all your travelling with Coachman.

#### 2011

This was another fruitful year for Coachman thanks to all our loyal, existing clients as well as many new faces entrusting us with their precious cargo.

Together we explored, travelled, traversed and traipsed across our beautiful country, collecting memories and winning the trust of all our passengers.

#### 2012

We shall be attending "Meetings Africa" again this year. "Meetings Africa" is a tourism platform which occurs annually so if you are in the area, make sure to pay us a visit at stand 301 in the Sandton Convention Centre from the 28th of February to the 1st of March 2012.

Musically it will be a busy year again as national and international stars grace us with their rocking talents. Roxette, Beatlemania, The Eagles and the Huisgenoot Skouspel are a few of the big events set to rock South Africa.

Schools will be taking their students on their annual tours, introducing the many new learners to the joys of learning and nurturing the many who are progressing to the next level. We love being a part of a young learner's new adventures, so please remember to book with us when transporting them.

Churches, universities and other organisations will also be touring South Africa with their team-building, character-shaping events and we'll be there if they call on us to ensure their safety on the roads.

The Super Rugby commences on the 24th February 2012 so remember to book with us as early as possible to make sure you get to the games without any hassles.

And how about a romantic getaway for you and a group of friends on one of our coaches this Valentine's Day?

#### The Origin of the Name "Coachman"

Our name comes from the amalgamation of the words coach, as we started out with one coach and the 'm', 'a' and 'n' from 'maintenance'. Thinus had his own maintenance company, started from his love for maintaining and refurbishing coaches, and thus it seemed like a fitting name for our company.

#### Keep in Mind...

We at Coachman hope that 2012 is your 'doing year'. Go forth and do as much as possible whether it be implementing a new plan in your business or finally taking those pottery classes you always wanted to try.

Only you can bring about the change you want in your future, your business and every other aspect of your life. As Gandhi said: Be the change you want to see in the world.
