

News Letters - June 2014

Dear Reader

Are you curious about how Coachman grew from small beginnings into a successful passenger transport operation?

Scania one of Coachman's main suppliers recently presented Thinus and Sonja Le Roux, the owners of Coachman with the opportunity of a one on one interview which can be read in the May 2014 Publication of "Truck & Bus South Africa".

In this interview the drive, motivation, values and goals behind the success of Coachman is revealed, so don't miss out on this one time exclusive.
