

Dear Reader

Avoid becoming a Statistic this Easter

It is that time of the year where many individuals, families, congregations etc, are travelling to different destinations to celebrate different occasions for the long weekend.

Should you be travelling with our coaches over this period, we thank you for the continued support and hope that it is a Journey to remember.

Below are a few Road Safety Tips that both the Service provider as well as the Passengers should always keep in mind:

1. Seat Belts Save Lives - Always wear one, even if the Journey taken is a short one.
2. Obey the rules of the road and always ensure that you carry your driver's license with you.
3. Plan the route to your destination and give yourself enough time to reach the destination.
4. Ensure that your vehicle is in a roadworthy condition before departure.
5. All lights and indicators, windscreen wipers, brakes, steering, exhaust system and tyres should be carefully examined and in a 100% working order.
6. Never Drink and Drive.
7. Avoid experiencing fatigue - Ensure that you include safety breaks every 2 hours or every 200 kilometres travelled, if travelling long distances.
8. For long distance travelling it is also advisable to change drivers at rest stops.

**ALWAYS REMEMBER: THE RULES OF THE ROAD NEVER CHANGE!**
