

We had an excellent time at Indaba 2012!

We had a wonderful time meeting up with old and new partners at Indaba 2012. We have also teamed up with several exciting venues and accommodation establishments to provide you with exhilarating new adventures to which we can transport you in 2012!

During Winter, South Africa hots up with sports and entertainment. Shun the covers and comfort food this season and let us transport you to a host of fun and exciting activities.

Here are a few events to keep in mind that you, your family and friends could attend while travelling in the luxury of a heated coach:

- Jeff Dunham at various venues around JHB from the 12-16th of June 2012 . We'll take you home if you are too tired from all the laughter!

- Fine Brandy Fushion at the Sandton Convention Centre from the 27th to the 29th of June. Don't drink and drive, rather take a coach with your buddies!

- South Africa vs England rugby matches in Durban (9th of June) and Johannesburg (16th of June). Take your team of friends and enjoy the day without the hassle of scrumming for parking by hiring one of our superb coaches.
