Driver Wellness VS Avoid becoming a Statistic this Easter

It is that time of the year where many individuals, families, congregations etc., are travelling near and far to various destinations to celebrate different occasions for the long weekend.

Should you be travelling with our coaches over this period, we thank you for the continued support and hope that it is a journey to remember.

We at Coachman value our Driver as they represent us when out on trips. When it comes to the Coach drivers there is more than meets the eye. They play one of the most important roles in ensuring that your trips booked with us are turned into journeys.

When on a trip the reliability and roadworthiness of the vehicle is important BUT the well-being, mental and physical state of the drivers is just as important as they are responsible for the lives of their passengers.

Having said this it is of utmost importance that our clients ensure the following for the drivers :

1. That they are able to have a good night's rest in a proper establishment
2. That they have nourishing meals to eat whilst on the trip

Receiving the above will ensure that the driver is well rested and alert whilst driving.

Our Fleet consists of the following vehicles:

- 15 Seater Lux
- 28 Seater Lux and Semi-Lux
- 48 Seater Super Lux
- 60 Seater Lux and Semi-Lux

**We look forward to hearing from you!**
